

Puppet Meltdown 2018 Technical Form

It's time to enter Sea Beast Puppet Company's call for submissions for our 2018 "Puppet Meltdown" Puppet Slam! Here's the info:

Please submit this form attached as a PDF or Word document to Mary Kate Jenkins at seabeastpuppetrymk@gmail.com.

Submissions Due: June 18th, 2018

Slam Date: August 18th, 2018

Showtime: TBD

Location: Elastic Arts Foundation, 3429 W Diversey Ave #208, Chicago, IL 60647

Requirements: An original piece of live puppetry (we also accept some puppet films) that runs no longer than 8 minutes (3-5 minutes is ideal) and can fit into a 16'x16'x10' space. Since this slam has no thematic requirements, we just ask that the content be geared for an adult audience.

We are proud recipients of the Puppet Slam Network's annual slam grant so we have some funds for out of town artists. Feel free to apply. Thank you Slam Network!

Thanks for reading, we hope to see your work at the slam.
